### 351 SOLAR PANEL SYSTEMS 352 By completing this section. Sel

By completing this section, Seller is acknowledging that the Property is serviced by a Solar Panel System, which means a system of solar panels designed to absorb the sunlight as a source of energy for generating electricity or heating, any and all inverters, net meter, wiring, roof supports and any other equipment pertaining to the Solar Panels (collectively, the "Solar Panel System"). This information may be used, among other purposes, to prepare a Solar Panel Addendum to be affixed to and made a part of a contract of sale for the Property.
